Here is why we train in Emergency Services: it benefits our community. Major Kit Lippert and Lt. Kristie Morris were on an Aerial Photography training flight when Major Lippert pointed out a bridge with unusual graffiti. As Lt. Morris (below left) pointed her CAP camera to get a picture, they noticed the bridge also had a lot of huge logs surrounding the bridge support in the middle of the river. Some of the logs were larger than the bridge support, and their weight, along with the force of the current that carried them there, were a potential hazard to the bridge. The pictures were sent to VDOT, who appreciated the heads up about the hazard. (below)

Cadets playing games to get in shape: Cadets who are in good physical shape are healthier, mentally sharper and more confident. But we want our "PT" to be fun! Here are cadets (and a couple of seniors) attempting to move a

tire down the hall without rolling it or letting it touch the wall. On the next page is a link to a short, funny video of their efforts:

Major Lippert continues to create memorable O-rides for our cadets. Here she is with Cadet Lavinder. Thanks to Mark Lavinder for the photo.

Cadet Parents! We appreciate your support, and we invite you to join us at our cadet promotion ceremony at the end of our meeting Tuesday, February 4th, at 17:15 (5:15pm) for fellowship with other parents and refreshments.

Our Seniors will meet on Thursday nights February 13 and 27 as we continue our Emergency Services training.

Please remember, our newsletter is something we work on *together*, so if you are involved in an activity, please take pics and send me a text about what was going on. Same thing for announcements, so we can include it in our newsletter!

Thanks,

Captain Hutcheson. (434)549-3969 or dhutcheson@mindspring.com

Meeting Times:

Cadets meet each Tuesday, 3:30 (15:30) at Tunstall High School . Seniors meet the second and fourth Thursdays at 6:30 (1830) at our hanger at Danville Regional Airport.
